

Aberfeldy 12 Year Old Single Malt Scotch Whisky

Bright gold appearance with a pale straw hue. Initially impressions are of a fruit salad with striking scents of unripe cantaloupe most salient alongside dusting's of dried coconut. A wonderful sniff.

Five minutes sees the fruity edge only slightly diminished. Light and silky entry builds into a soft, light to medium bodied malt that's elegant and delicate in delivery. The fruity / vanilla combination repeats with a semi sweet burst at mid palate, followed by pristine, oat meal like malt. Moderate aftertaste, but otherwise, a delightfully different Speyside expression.
