

Arran 12 Year Old Cask Strength Single Malt Scotch Whisky

Deep gold. Slightly spirituous and shellac-like followed by more attractive opening aromas of oatmeal and ginger biscuit. Hints of vanilla, dried fruits and honey. Sweet cereal flavours are the highlight in what is a slightly oily and quite warming delivery; the spices abate at mid palate; plenty of cocoa on the finish. Ends warm, tingly and long. Probably a little raw for those accustomed to the gentler 'house style' that the distillery launched with.
