

# Arran Cask Finishes Amarone Cask Finish Single Malt Scotch Whisky

The wine is evident in the crimson-pink blush. Unusual dried chilly opening whiffs are eclipsed by an amazing, fresh, juicy sultana-like aroma that almost overshadows the malt. Gets more winery with exposure rounding off a superb cask finish bouquet. Wonderful expressiveness again on the palate which packs fabulous concentration and length; while not enormously complex, this is so judiciously balanced that even 10 ml makes you feel you're privileged to a classic. Plummy then fresh grape-like through to the fade. A stunning fusion of whisky, wood and wine. Get some of this- you won't regret it.
