

Belgrove Distillery

100% Rye Whisky

Bright gold appearance. Immediately appealing and distinctive with its dill / pickle opening scents. Second pass offers chamomile tea, hints of boiled lolly, cedary oak and peppermint. A light, silky entry follows through to a super smooth and quite delicate profile featuring medium dry flavours of chamomile tea, sour dough bread and unusual notes of dill and caraway. Dry, mildly tannic finish. Aftertaste is subtle but shows good length.
