

Benromach Organic Single Malt Scotch Whisky

Glossy gold. Dazzles in the glass, forming thick legs. Creamy, almost oily bouquet, oozes fruity malt and vanilla with wonderful purity. Hints of grain store and hay bale are detected in later passes. Light and easy on entry developing depth and texture; in fact, probably one of the creamiest barley deliveries you're likely to find: A juicy, nutty, oily malt with flavours of beeswax and shortbread heightening at the finish. Beautiful whisky that emphasizes mouthfeel over complexity. A simple pleasure.
