

Cardhu 12 Year Old Single Malt Scotch Whisky

Bright gold colour. Aromas of pristine malt that's like fresh baked oat biscuit. Delicately peated. Some baked citrus emerges. Concentrated, semi-sweet flavours include honey laced cereals (in particular, oats) and again the peat lingering underneath adding depth. Exceptionally silky, soft mouth feel. A delicious drying crispness enters at mid palate while the gently warming spices persist well into the aftertaste before concluding fresh and clean. Remains more of a crowd pleaser than an individualist, but this is a significant improvement on a previous bottling with much more vibrancy and lift. Classic.
