

Catto's Rare Old Scottish Blended Scotch Whisky

Brilliant gold. Shy and delicate with bready-cereal-like notes and nuances of vanilla wafer, cocoa and digestive biscuit. Light-to-medium bodied with a mildly oily, malty sweetness, a sprightly, warming finish, rounding out crisp, grainy and medium long. Great balance. While the nose is muted, this drier-styled blend has everything going for it as an aperitif or everyday drinker.
