

Cragganmore Double Matured Single Malt Scotch Whisky

Tasting note: Bright brassy gold. Aromas of light caramel fudge, cinnamon and vanilla. Later passes reveal a fruity aspect as honey drizzled pear and light prune over toasted oatmeal. A relaxed, medium bodied malt offering spiced plum, blueberry muffin (?) and vanilla flavours rounded off with a peppery flourish. More depth on the finish. The port adds a discreet enhancement and there's distant peat in the aftertaste. Eminently drinkable.
