

Edradour Straight from the Cask Sherry Butt 10 Year Old Cask Strength Single Malt Scotch Whisky

As with other quality sherried malts, this needs time to open up. Tasted without water, it's slightly dry, bittersweet and tannic. It all happens at the finish with a saturate of sweet dried fruits, cocoa and liquorice root. The length is impressive but even better after ample air contact. Best with water. For those who like their whiskies pure and intense!
