

# Elements of Islay CL11

Nose: Dusty dark chocolate, charcoal smoke and buttered currants. Winter-punch spice is balanced by fresher, greener notes of nettle and elderflower.

Palate: Mouth coating and dense, with rich Morello cherries in a thick sweet sauce – the perfect balance of sweet and sour. The peat is herbaceous, reminiscent of aged Chartreuse, and is followed by notes of bitter chocolate.

Finish: Cocoa nibs and Arbroath smokies linger.
