

# Glencadam 10 Year Old Single Malt Scotch Whisky

Very pale straw gold. Toasted marshmallow top note followed by melted butter and grains in the opening inhalations. The delightful buttery characteristic persists in later passes.

Sweet malt entry hints at shortbread and is also mildly grassy. Delicious, sweet, unadulterated malt. Finish is bright and spicy with light lemon barley sugar followed by subtle orchard fruitiness rebounding in the fade. Exuberant and distinctive with pristine barley the focus from start to finish.
