

# Glencadam 21 Year Old Single Malt Scotch Whisky

Bright straw gold / flawless clarity. Quite sedate at first; several minutes exposes pure though muted scents of orchard fruits and water biscuit and doesn't really budge after five minutes in the glass. Immediately impresses in the mouth with a creamy, silky, juicy, fresh fruit and spice combination. Perfect balance with hints of barley sugar before the firm, drying oak finish. Charming malt.

Attractive, 18-carat gold appearance that's unblemished by sediment. Opening nosings are treated to dry, slightly spicy aromas of poppy seed, sawdust, oak plank, toasted bread; secondary inhalations get beeswax, sap, and oak resins. Entry is succulent, charmingly viscous, spicy, spirit, warming, medium toasty; mid palate features deep, oaky flavors that are resinous, sappy, complex, lasting far into the aftertaste where the ultra-creamy texture reigns supreme
