

Glenfiddich Distillery Edition 15 Year Old Cask Strength Single Malt Scotch Whisky

Brilliant amber / perfect clarity. Vapoury alcohol yields to strawberry sponge cake, custard tart, almond flan. 2-3 minutes exposure draws out beeswax, peppered pears. A drop of water removes the alcoholic whiff and sweetens the nose. Full bodied, black pepper-laced attack; builds with flavours of vanilla, oatmeal and subdued orchard fruitiness. Creamier at the finish; flashes of bittersweet oak threaten the balance, but the tangy, juicy malt doesn't let up. What started off as slightly astringent gets better with every taste... integrated and deceptively complex. Dried fruits and a thread of sooty peat to close? Adding several drops of water enhances the orchard fruit characteristics and extends the finish making for an undeniably delicious dram.
