

Glenlivet Nadurra First Fill Cask Strength Single Malt Scotch Whisky

Pale gold colour shows ideal clarity and considerable legs. Typifies the house style with deep scents of poached pear and ripe green apple over beeswax and vanilla. The orchard fruit theme continues in the second pass adding milk chocolate, orange cake, light pepper and clove. A precocious sniff! Entry builds with flavours of honey, vanilla and tea biscuits; quite spicy and concentrated but thins out momentarily before a stewed pear sweetness almost breaks through the spicy oak, carrying the aftertaste in rebounds. One of the more engaging Glenlivits of recent years
