

# Glenmorangie The Nectar D'or 12 Year Old Single Malt Scotch Whisky

Pure, bright gold appearance. This is one of those whiskies that really benefits from a good twenty minutes in the glass after which the aromas open and deepen. Aeration reveals the sweet malt, combined with honey and stone fruit scents with hints of cinnamon and clove. Entry is soft and off dry building slowly with excellent length. Spice and cedary oak give way to a luscious finish with the honeyed, biscuity malt finally superseded by dried stone fruits and cedary oak. Concludes clean and dry. The Sauternes impact really comes through on the finish and texture of this malt while it avoids falling in to the 'too sweet' trap. Nicely done.
