

Glen Scotia 15 Year Old Single Malt Scotch Whisky

Bright amber gold / dazzles in the glass. A suave, laid-back sniff with a distinct briny edge and a whisper of smoke...several minutes air contact adds cocoa and granita biscuit followed by dried ginger and cinnamon notes. Considerably more intense than the nose suggests. Lean and dry on entry, building with spicy oak; again, a lovely salt'n'pepper quality develops before the Bourbon takes over the finish. Distant orange zest and rye whiskey freshness in the aftertaste. Deceptively complex. Distinctively Campbeltown.
