

Glen Scotia Victoriana Cask Strength Single Malt Scotch Whisky

Gleaming polished copper appearance. Momentarily off-key followed by sultry aromas of toasted fruit-bread, pineapple pudding and deep vanillas. Five minutes exposure emphasizes dark chocolate and roasted nuts amid flashes of sappy oak and trace Sulphur. Exceptional balance. Full bodied yet perfectly rounded. Mid palate is toffee-dense, malt-rich becoming tantalizingly oily / buttery towards the finish. Honey oatmeal, vanilla fudge and resinous oak to close with a wound up, mouth coating stewed fruit / vanilla / crème-caramel and pepper finale. Ends medium long with the honeyed-fruitiness lingering.

One for the end of the night.
