

# Hazelburn 10 Year Old Single Malt Scotch Whisky

Palate: Thick and mouth coating with gently sweet, fruity oils with a pinch of spices. The quality from the nose comes through clearly into the palate. There's a fudgey creamy quality and chocolate. Finish: Jam packed with gorgeous flavours, some of which are from the great quality bourbon wood. It's really long and leaves flavours on your palate for ages, as long as many a peated whisky.
