

Hellyer's Road Whisky Cream Liqueur

Impenetrable beige colour, the liqueur clings to the glass with viscosity akin to paint. Wonderful top note of white chocolate, with hints of hazelnut, caramel and vanilla bean. The palate texture is wondrous. The fusion of fresh whipped cream and whisky creates a luscious and powerful drink that delivers a perfect reflection of the flavours offered by the nose, counterpointed by a firm, very gently warming spirit backbone. Good length. Perfect balance. Aftertaste of cafe-crème, milk chocolate and hazelnut with a gentle spirit afterglow. Moreish.
