

Hellyer's Road Distillery Original Pinot Noir Finish Single Malt Australian Whisky

The dried grassy note of the base malt still peaks through but is interwoven with some enticing choc-cherry moments. Loses some intensity after 2-3 minutes exposure which sees a cool-mint note enter. A warm, tingly, spirity delivery comes with grassy / mulch like flavours rounded off with a spicy flourish and a touch of cool-mint. Less wine influence in the mouth in this example compared to some previous batches.
