

Hellyer's Road Distillery Slightly Peated Single Malt Australian Whisky

Straw with pale straw / water like hue. The malty nose offers moderate aromas of prune and raisin toast above honey and vanilla wrapped in a soft peat. Rich chewy entry, very malty, grapefruit, prune and camphor above a savoury biscuit background. A big wave of spice and spirit warmth follows. Excellent balance, texture and delivery. A touch of salt and smoke emerges on the back palate and plays second fiddle during the aftertaste, complementing the spicy raisin toast notes.
