

Inchgower Flora & Fauna 14 Year Old Single Malt Scotch Whisky

Pale straw gold. Very pretty with moderate, pillowy aromas of cream tea biscuits, straw bale, muted honey, emerging fruitiness and possibly a puff of distant peat. Delicate, graceful delivery comes across like a well-honed blend with a harmonious interplay of grain, vanilla and orchard fruit flavours building towards the finish. Ends crisp, delicately briny, tangy and medium long. Elegant and distinctive.
