

# Laphroaig 10 Year Old Single Malt Scotch Whisky

Golden amber color. Toffee, caramel, light smoke, and faint iodine aromas. A supple entry leads to a fruity sweet full-bodied palate with honey, salty, toasty nuts, smoky embers, and a brush of iodine on the finish. Straightforward and classically styled Islay malt.

Nose: Phenolic, seaweedy, with a hint of estery, melony, sweetness.

Palate: Seaweedy, salty, oily. Finish: Round, dry, iodine-like. Comment: The most medicinal of Islay malts.
