

Longmorn 16 Year Old Single Malt Scotch Whisky

It presents a flawless, eye catching bright gold and offers up attractive scents of beeswax, sweet toasted cereals and in later stages, fruity suggestions of sultana / apple and pear. Entry is smooth and delicate; mid palate boasts significantly more depth and concentration featuring flavours of juicy malt, sweet ginger biscuit and candied citrus alongside pulsing spices. Balances out beautifully at 48% finishing lean and a little short but very lively and satisfying.
