

Macallan 12 Year Old Sherry Matured Single Malt Scotch Whisky

Bright copper penny colour. Peppery with dull suggestions of rubber in the first pass giving way to richer scents of dried fruits, hazelnuts, almonds, light marzipan, dark chocolate and more.

The extra ABV ups the concentration to an unexpected degree delivering a spicy, mouth filling profile including hazelnut, cocoa, oatmeal biscuit and pepper. Vanilla malt mingles with traces of cinnamon and Sulphur into the finish. Long, complex and surprisingly robust
