

Old Parr 12 Year Old Blended Scotch Whisky

Deep gold / bright copper penny colour. An attractive mix of cocoa, vanilla and breakfast fruit toast with exposure drawing out a fruit'n'nut chocolate aspect. Concentrated for the genre, with a spicy backbone that includes muesli, dried grass and light stewed fruit flavours, ending honeyed yet fresh, grainy, peppery and with excellent length. Quite richly styled. Gets better each time you taste it.
