

Powers Signature Release

Brilliant brassy gold. Opening scents reveal fresh sliced fruit cake with a splash of brandy cream. 3-5 minutes air contact conjures suggestions of peel heavy marmalade and a whiff of pepper while highlighting sweeter scents of honey, vanilla custard, dusted cocoa and stewed apples. A silky, warming whiskey; the mid palate offers buttery, grainy flavours with intensifying fruit sweetness; finishes with hints of vanilla wafer, dried fruits and pecan showing excellent sweet-dry balance. Flavourful Irish with impressive complexity and length. Non-chill filtered.
