

# Springbank 10 Year Old Single Malt Scotch Whisky

Bright gold colour. Moderate aromas of sweet toasty grains, potpourri and lanolin scented peat. Some fresh citrus peel notes emerge with time in the glass. The palate is very soft on entry, building with good length and excellent concentration. Spice, shortbread and salty peat flavours are delivered with a slightly oily, warming mouthfeel. A touch of butterscotch is followed by a spicy, peaty, peppermint and salt aftertaste. Highly recommended.
