

# Suntory Hibiki Japanese Harmony Blended Japanese Whisky

Beguiling aromas of apricots, orange blossom and marmalade, bolstered by subtle spiciness, too – cinnamon and clove. Elegant and seductive. The generous fruit continues on to the palate, with oranges and apricots in abundance. There's a little peppery spice, but the soft, succulent fruit takes hold. Nice balance, and nicely crafted. In the finish the spiciness takes over from the fruit and lingers, along with a little barrel char.
