

# Suntory Yamazaki Distiller's Reserve Single Malt Japanese Whisky

Amber gold appearance. Understated and pure with aromas of vanilla, cocoa dusted malt and honeyed cereals; hints of fruit cake here too. More stewed pear with air contact.

Medium dry, fresh delivery offers a spicy, orchard fruit, vanilla and juicy malt burst.

Succulent and fruity to finish. Almost a floral delicacy to the aftertaste. Love the mouthfeel here. A gorgeous harmony of flavour and texture
