

# Talisker 10 Year Old Single Malt Scotch Whisky

Wonderful, rich amber gold colour with golden hue. The nose is pungent with Islay-like sea weedy, smokiness and sweet maltiness. A great sniff. The bold marine influences of the Island of Skye emerge on the palate, perfectly complemented by a spicy, very peppery, long lingering finish. Beautifully balanced spirit - round and clean - not harsh but warming.  
Fine and individual malt.
