

Timboon Distillery Port Expression Single Malt Australian Whisky

Pale amber gold with very minor sediment evident. Immediately fruity on the nose with attractive scents of stewed plums / berry muffin followed by a touch of bubble gum. Light, breezy entry, builds to moderate concentration with relaxed, grapey flavours and suggestions of berry muffin, cream tea biscuit; rounds off with dustings of cocoa and faint gobstopper to finish crisp, super clean and medium long. An easy-going, light and graceful dram for all occasions.
